

UNIFORM POLICY

Wykeham House Uniform is designed to be easy to wear and to suit the needs of the majority of girls. When the uniform is reviewed the views of pupils, staff and parents will be taken into account if changes are to be considered.

In wearing the School Uniform girls should look smart and be aware that they represent the School.

Wykeham House requires its girls to wear School uniform in accordance with the uniform list which is issued to parents when their daughter joins the School, and annually thereafter. In Form V the girls are allowed to wear a Business suit and should follow the guidelines given or this privilege will be withdrawn.

Individual requests for a pupil to be excused from any particular aspect of uniform must be made to the Headmistress in writing.

For safety reasons, hair should be tied back and shoes should have a low heel due to the number of stairs within the building.
